

THE PFL SPONSORSHIP

Sponsorship of THE PFL offers opportunities for visibility in *pfl.football*, on pfl.football, and across all of our media formats. Sponsorship is much like advertising, except that, we are selective about our sponsors—because you are partners in fulfilling our mission!

Sponsorship with PFL.FOOTBALL offers opportunities for dynamic, multi-layered relationships with a fast-growing audience of thought-leaders and engaged fans.

Through Sponsorship with THE PFL.FOOTBALL, you'll have the chance to communicate your message to fans in *THE PFL.FOOTBALL*, to monthly visitors online at pfl.football through subscribers, via robust social media audiences, including Facebook fans and Twitter followers.

We prefer Sponsors rather than Advertisers because what we promote is as important to us and as an independent, sports industry media organization, we're selective about who we work with. Sponsors are among an exclusive group of PFL.Football approved and recommended businesses, organizations, products, tools, professionals and more!

We'll help you put together the right package on any budget, and we'll evaluate your campaign's success through rigorous analytics every step of the way.
